

IADC Rig Moving Committee

Chairmen: Charlie Vanatta – Wilbanks Energy Logistics

Vice Chair: Eamonn Young – Lighting Rig Moving

2014 Competency Documents

- [Front-End Wheel Loader Operator KSA Guidance](#)
- [Pole Truck Operator KSA Guidance](#)
- [Tandem-Bed Truck Operator KSA Guidance](#)
- [Swamper KSA Guidance](#)

2015 Objective: Beginning Phase of Rig Moving “best practices” document – currently a void in industry

IADC Committee Chairmen's Meeting

Individual Committee Report-Outs

3 High-Level Issues:

- The current market
- 2015 DOT/FMCSA regulations
- Safety (Per IADC Annual ISP Report: Rig Moving is still leading cause of recordable incidents for US Land (not including off site employee transportation))
- Next Meeting: October 22 – New Orleans, LA
