

# Well Control Committee Report

1 September 2015

**Leadership:** Jason Morganelli, Ensco PLC, Chairman  
Aaron Mueller, Independence Contract Drilling, Vice-Chairman  
Steve Kropla, IADC Staff Liaison

## Meetings:

- Quarterly with attendance typically 50 + members
- Closed session meetings held before the main meeting for Drilling Contractors ONLY; this gives opportunity to privately discuss 'sensitive' well control issues of unique concern to Drilling Contractors
- Meeting agenda includes review of committee activities and regulatory update plus 2-3 speakers on topics of interest

## Activities:

- Active Subcommittees include Curriculum, Gas in Riser, and Simulation
- Organizes the annual Well Control Conference and often holds Well Control Roundtable in conjunction with the conference
- Committee owns the IADC WellCAP and WellSharp accreditation programs, which set global well control training standards for personal with well control responsibilities
- Main activity for 2015 – the launch of the WellSharp accreditation program for Drilling Operations personnel
