Minutes

Call to Order: The Chairman (Jorge Lebrija) welcomed everyone in attendance to the Supply Chain Meeting.

Call to Order: Jason McFarland, IADC President, presented an award to Brad Green in recognition of his leadership in the development and management of the Supply Chain Manufacturing Record Book Subcommittee.

Safety Briefing/ Anti – Trust Guidelines/Administration
John Pertgen (IADC liaison) provided the emergency response information including muster points. He also reviewed the Anti-Trust Guidelines; wherein he emphasized the core of anti-trust law, and the required refrain from discussing pricing, dividing, allocating or boycotting suppliers or potential suppliers.

General Introductions & Agenda Review
Formal introductions were conducted. The agenda for the meeting was shared by the Chairman.

ABS Presentation
- Chris Corcoran from ABS presented the Class perspective on Inherently Safe Equipment and Systems

MRB Documentation Sub-Committee Update
- Sub Committee Chairman (Brad Green) provided an update on the subcommittee progress.
- Reminded that the goals for the subcommittee and MRB Guidance revision 1 are available at IADC website.
- The Subcommittee continues to works on Rev 2 of the MRB Guidelines with current focus on section 3 part (d) list of minimum requirements for NDE.
- Next steps are to finalize discussion on pending items for UT and Hardness, and report in the next meeting.

International Association of Drilling Contractors

- Sub Committee Chairman confirmed good participation from OEMs and requested more support and participation from drillers in the subcommittee.

Vendor Performance Sub-Committee Update
- Andy Poosuthasee in representation of the Committee Chairman provided an update on the subcommittee progress.
- Revision 1 of the Supplier Performance Metrics and Scorecard is published at the IADC website.
- The implementation plan was presented to the Committee consisting of a suggested letter to be sent out by drillers to all suppliers, a FAQ document to be posted at the IADC website, and articles to be published at the IADC magazine.
- Documents were reviewed and approved by the Committee.
- Committee members to report back to the Committee in 3 months on their implementation progress.

Inventory Sub-Committee Update
- Sub Committee Chairman (Andy Rennie) provided an update on the subcommittee's progress
- Excess inventory exchange is working well for some drillers and will be available through a link at the IADC website in upcoming months.
- Elastomers initiative
  - Review goals and deliverables for the initiative
  - Provided an update of the kick-off meeting in which six OEMs participated
  - Provided an update on the first working session with drillers and OEMs. OEMs are engaged and participating, and the initial focus will be on:
    - Shelf life and storage conditions
    - Life in un-used equipment
    - Life in operating equipment
    - Remaining shelf life at time if sale
    - Information and quality of labels

Other Topics
- The Committee Chairman updated the group on the IADC Dubai chapter, and discussed the possibility to start a Singapore Supply Chain chapter.
