

International Association of Drilling Contractors Logo Usage Policy

Accreditation Program Logos

The International Association of Drilling Contractors Accreditation and Certification Department authorizes each accredited training provider to use the specific accreditation logo for which the company is accredited. Usage program logo must be in accordance with the program's accreditation procedures and the guidelines established for program logo usage found in each program's handbook.

Official IADC Logo

The official IADC logo is a trademark of the International Association of Drilling Contractors and is protected by international copyright laws. Downloading or copying the IADC logo for corporate or personal use without the permission of IADC is a violation of these laws.

This logo is reserved for official IADC use and may be used by members only in presentations made at IADC-organized conferences. The logo is available for use in both portrait and landscape versions.

IADC Member Logo

IADC members are entitled to use the IADC Member Logo on promotional products and web site. Use of the "Member" logo is not permitted on training certificates or in any fashion that may signify IADC accreditation or endorsement of any program, contract, or service. Member Logos can be downloaded from the "Members Only Section" at IADC.org.
