IADC WELL CONTROL ACCREDITATION PROGRAM

BULLETIN 04-01

February 2004 (Revised)

This bulletin is issued to all schools that are accredited or are now in the process of completing an Application for Accreditation.

REVISED WELLCAP HANDBOOK FOR ACCREDITATION FORM WCT-1

Enclosed is a revised version of the Handbook for Accreditation, containing the criteria and procedures for the WellCAP program. This version (Revision 040218) supercedes all previous versions of the Handbook. Earlier versions should be discarded.

The Handbook incorporates recent changes in policies and procedures previously announced in program bulletins. It also notes some changes in administrative procedures employed by IADC staff and the IADC Review Panel. Otherwise, it contains no substantive changes regarding program specifications.

Additional copies of the handbook may be requested from IADC. The Handbook is also available in PDF form from the IADC web site at <http://iadc.org/wellcap/>.
