BULLETIN 06-01

February 2006

This bulletin is issued to all schools that are accredited or are now in the process of completing an Application for Accreditation.

PROGRAM REQUIREMENT: WELLCAP QUALITY STATEMENT & COMMENT POLICY

The IADC Well Control Committee has approved a WellCAP program requirement for a Quality Statement and Comment Policy to be distributed to all students at the beginning of a WellCAP course.

The form, WCT-25, is designed to advise participants of IADC's commitment to quality training. It requests those participating to communicate any comments or concerns they may have about the instruction directly to IADC. Options are listed to contact IADC via post, phone, fax or e-mail

Training providers will be required to begin using the form no later than 15 August 2006. The form must be provided in the language in which the course is being taught.

Form WCT-25 is included as the second page of this Bulletin. The Form is also available from the IADC web site at <http://iadc.org/wellcap/index.html>.

Please contact IADC for questions or more information.
