This bulletin is issued to all schools that are accredited or are now in the process of completing an Application for Accreditation.

### **IADC/IWCF ALLIANCE**

As announced in Bulletin 97-02 last year, IADC has entered into a joint effort with the International Well Control Forum (IWCF) to form the International Alliance for Well Control (IAWC). The Alliance is now operational.

To participate in the Alliance, a school must be an accredited WellCAP institution and an approved IWCF assessment center.

Included with this bulletin is a brochure describing the basic purpose and operations of the alliance.

Also included is an application form which should be filled out by schools that intend to participate in the alliance (participation is voluntary). Instructions are included on the form.
